# DOMESTIC VIOLENCE ISN'T ALWAYS VISIBLE

Beverly Ayers  
SURVIVOR

Psychological, financial, sexual and emotional abuse are all forms of domestic violence. The scars they leave can last a lifetime. On the **LAST FRIDAY IN OCTOBER**, join us as we take a stand. [MyHarmonyHouse.org/icare](http://MyHarmonyHouse.org/icare)

**STAND UP. SPEAK OUT. GET INVOLVED.**

When the general public thinks about domestic violence, they usually think in terms of physical assault that results in visible injuries to the victim. This is only one type of abuse. There are several categories of abusive behavior, each of which has its own devastating consequences. Lethality involved with physical abuse may place the victim at higher risk, but the long term destruction that accompanies the other forms of abuse is significant and cannot be minimized. - ACESDV

iCare uses the symbolic black eye to represent all forms of domestic violence.
