Domestic violence has surged worldwide due to stay-at-home orders amid the coronavirus pandemic. Trapped at home with their abuser, victims are struggling to reach out to get the services they need. On the **LAST FRIDAY IN OCTOBER**, join us to let them know they are not alone, it's not their fault and there is help.

STAND UP. SPEAK OUT. GET INVOLVED.

"For many women and girls, the threat looms largest where they should be safest: in their own homes. I urge all governments to make the prevention and redress of violence against women a key part of their national response plans for COVID-19." United Nations Secretary General
