MEN CAN BE VICTIMS TOO

One in seven men will experience severe physical violence during their lifetime. One in four men experience verbal and emotional abuse from an intimate partner. Men are also less likely to seek help. On the **LAST FRIDAY IN OCTOBER**, join us as we unite to stop the violence. MyHarmonyHouse.org/iCare

On the last Friday in October, business leaders, friends and neighbors will join together to raise awareness and funds to combat domestic violence. Their support will include:

- Wearing a symbolic black eye sticker to raise awareness
- Hosting an office fundraiser to raise life-saving funds to support our mission
- Pledging to continue the effort to end domestic violence beyond the iCare event
