BROKEN CHILDREN CAN BECOME BROKEN ADULTS

Christine Temple
Executive Editor
Springfield Business Journal

Over 5 MILLION children witness incidents of domestic violence each year. The impact can last a lifetime and lead to unhealthy behaviors and even a shorter life span. On the **LAST FRIDAY IN OCTOBER**, join us to say **IT'S NOT OKAY**.

BREAK THE CYCLE

"Children who grew up with neglect and abuse do not simply leave behind the trauma they suffered and grow into emotionally healthy adults; instead, abused children become abused adults, who display many of the same frightening and unhealthy patterns that unhealthy children adapt to survive."
