DOMESTIC VIOLENCE CREATES A DOMINO EFFECT

Grant Hornbuckle
Owner
Two Men and a Truck

The generational impact of Domestic Violence can have a devastating impact on society. From children who grow up to become abusers, to the strain on law enforcement, healthcare, education and businesses, domestic violence is not someone else's problem, it's everyone's problem. On the **LAST FRIDAY IN OCTOBER**, join us to **BREAK THE CYCLE**. MyHarmonyHouse.org/icare TO DONATE: TEXT HHICARE TO 44321

BREAK THE CYCLE

Generation upon generation, domestic violence causes the family unit to crumble over time. But more than dismantling the basic family unit of society, domestic violence wreaks havoc on communities and entire societies. The cost of domestic violence to society is phenomenal. -betterhelp
