

2022 Annual Report

Harmony House

Breaking Free

Breaking free from an abusive relationship is difficult at best and in the most dire situations can lead to severe injury and even death. In 2022, Harmony House worked with hundreds of survivors to assist them in the process of leaving.

Harmony House is working to break down the barriers that stand in the way of living a life free from abuse. While the dynamics of domestic violence are often similar, each client and situation is unique. Our advocates and case managers work with each individual, providing access to the resources they need. For some this is housing, for others it is assistance finding daycare and employment, and for others access to legal services is most critical. Harmony House has been providing shelter, advocacy and education since 1976 and remains committed to the principal that all individuals have the right to a life free of abuse.

"Thank you so much for your help! I am finally in a stable place for the first time in my life."

2022 Annual Report

DONOR IMPACT

Donors raised **\$1,400,000** in 2022 to support the mission of Harmony House! [Thank you for your support.](#)

We are so grateful for the donations that came in many different forms in 2022. One donation of a steer was especially meaningful as the donors made the gift in honor of their late son, who had wrangled and raised the steer. While the donation of the steer's meat came from their loss and suffering, it was made to help others who are also lost and suffering.

Our Change Makers raised \$17,600 last year with their monthly, recurring donations. These donations are used to keep our services free of charge! Thanks for making a difference.

iCARE

October, 2022

The 2022 iCare Campaign marks the 8th year of the awareness event. This year's event featured an Employer Pledge to bring awareness, policy, and education to the workplace. Participants signed the pledge and have been working to update their workplace policies and response to disclosures of domestic abuse.

The campaign raised over \$160,000 and was seen or heard over 12,000,000 times!

SHELTER NEWS

Full Frame Initiative

Harmony House adopted a new approach to working with people facing multiple and complex challenges that focuses on overall wellbeing and supports lasting change. Individuals and families living at the intersection of poverty, trauma, violence, and oppression face constant threats to their wellbeing. The Full Frame Initiative works to maximize wellbeing while minimizing the tradeoffs that must be made with each decision. 2022 marks the first full year of FFI and has produced increased wellbeing, healing, and sustainable change for our clients.

Prevention Education

In 2022, Harmony House was able to once more offer Prevention Education presentations and programs to the community. Charity Jordan is the new Prevention Education Coordinator and has hit the ground running! Presentations are available on a number of subjects including DV 101, DV and the Workplace, DV for Healthcare workers, Bystander Training, Healthy Relationships, and Stalking.

DEI Statement

At Harmony House, serving survivors of domestic violence is at the core of who we are and what we do. Harmony House is dedicated to fulfilling our mission by fostering a diverse and inclusive environment where all survivors, staff, volunteers, and community members feel safe and empowered to create a culture that values people of all races, cultures, and genders.

Visit myharmonyhouse.org to read more about our mission and core values.

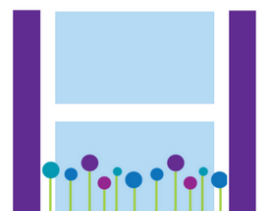

PURPLE PARTY

April, 2022

The seventh annual Purple Party was held **in person** for the first time since 2019! The party was rockin' with a full house of over 500 attendees.

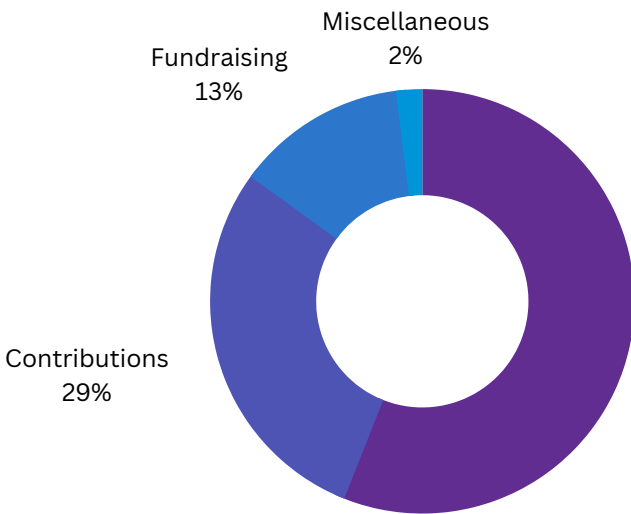

The Battle of the Banks, reminiscent of the old Battle of the Bands, raised \$42,696 with Jocelyn Baldner of Central Bank capped as the ultimate Harmony Hero.

The party raised over \$108,000. It's back for 2023 with the Battle of the Brews!

New Opportunities

2022 provided Harmony House with lots of new opportunities. A new vision for client services with The Full Frame Initiative; the return to many in-person events, fundraisers, and educational sessions; and a transition of leadership into the future. Through all of these new ideas and methods, the core of our mission remained the same: to serve those impacted by abuse in our community. I am so proud of each and every one of our team members and volunteers for all of their hard work to make Harmony House the safest, most welcoming environment for survivors and their families. We still have work to do as an organization and as a community, but I am encouraged for the future of our organization to continue to be a beacon of hope for those in need, with help from the most caring and compassionate staff in town. I invite you to join us in our growth and ask for your support to raise awareness of abuse with those closest to you.
