## BREAK THE SILENCE

Domestic abuse impacts everyone in a community. The prevalence of abuse in our society is only aided by silence and a lack of knowledge. We can make a difference! On the **LAST FRIDAY IN OCTOBER**, join us to **BREAK THE SILENCE**. [MyHarmonyHouse.org/icare](http://MyHarmonyHouse.org/icare)

**TO DONATE: TEXT HHICARE TO 44321**

iCare uses the symbolic black eye sticker to represent all forms of domestic violence.

To help individuals break free from abuse, this business is participating in iCare, an awareness and fundraising event. Ask inside how you can help!
