Mission

The mission of Harmony House is to provide shelter, advocacy and education to survivors of domestic violence and promote the principle that all individuals have the right to a life free of abuse. If you or someone you know is living in an abusive situation, call 417-864-SAFE (7233).

Service Area

Harmony House is Missouri's oldest and largest domestic violence shelter. Harmony House primarily serves survivors of domestic violence from Greene County and other counties in southwest Missouri. Our 24/7 hotline

also responds to calls from survivors from coast to coast – and from across the world.

Funding

Funding for Harmony House is comprised of donations, grants, and signature events such as iCare and the Purple Party.

12-Month Goals

Harmony House aims to continue delivering high-quality safe shelter and comprehensive support to survivors of domestic violence. Our focus remains on ensuring that more people can access the help they need to break free from abuse. We seek to expand our reach of prevention education through our weekly "Voices Against Violence" podcast, community presentations, classes, youth outreach, and more.

How People and Businesses Can Help

Learn the signs of domestic violence and share Harmony House resources with your community. Invite Harmony House to speak at your business, organization, workplace, school, church, or club to educate and raise awareness. Support our mission by volunteering, making a donation, or joining iCare, our annual awareness event in October. Together, we can make a difference.

Testimonials

"Harmony House has been a tremendous help to both me and my daughter. It's more difficult than I can

describe, losing everything at once, but being able to have some semblance of peace has helped us to be able to find ourselves. My child has benefited immensely from having a calm, safe place to live. I can see a future for us now – it is freeing to be able to plan a life for us, absent from abuse."
